Better Plants for 1849 New England 1954

PRICE LIST 1954

Adams
NURSERY Inc.
Westfield, Massachusetts

GUARANTEE

SIX MONTHS' GUARANTEE: We guarantee to furnish nursery stock in first class condition so that with proper aftercare, losses will be reduced to a minimum. Should any stock purchased at our retail prices fail to grow within six months, we will resupply; however, any labor incidental to planting replacements must be paid for by the purchaser.

Should we not have the same plants in stock we reserve the right to give credit for the amount paid or supply other plants of equal value.

We will cheerfully resupply any plant found not true to name, or we will refund the amount paid for the same, but it is mutually understood that at no time shall we be held responsible for a greater sum than the purchase price.

Our guarantee is void on accounts not paid within thirty days after date of invoice.

Index of Common Names will be found on page 61.

Adams Nursery, Inc.

Postoffice and Nursery

WESTFIELD, MASSACHUSETTS

Phone 863

Springfield Phone 6-0443

CENTRALLY LOCATED IN NEW ENGLAND

Our office, nursery and nursery mart are located on the Springfield-Westfield road, Route No. 20, six miles from Springfield and two miles from Westfield — Busses pass the Nursery at frequent intervals.

Founded in 1849

... 105th Year ...

Landscape Department

We maintain a staff of competent men, trained and experienced to assist home owners in selecting the right plants for their proper locations. We shall be glad to submit plans and estimates, there being no obligation connected with this service, and no charge provided the plant material is purchased from us.

The following two types of service are available.

1. Bring a picture of your home and a sketch showing approximate measurements of your property to the Nursery Mart, and a trained landscape man can make a suggested plan from the picture and sketch. While there, you can see the different types of plants that have been recommended.
2. If you feel that your landscape problem is one that requires personal consultation on your home grounds, telephone for an appointment. Plans and estimates are included with this service by our trained experts whose only desire is to create beauty and a satisfied customer.

Certainly the landscaping of your home is of such importance that it should be given special study. A planting design worked up by one of our experts can save you disappointment as well as money. It need not all be done this year, but can be extended over a period of years to meet your budget. When it is completed you will have a well coordinated result.

Planting Service

We will be glad to arrange for a reliable landscape gardener to plant your orders. A separate invoice will be rendered by him for this service.

Our landscape department will cooperate to see that our recommendations are properly carried out.

Adams Nursery Mart

Conveniently located directly back of our office where you will find a comprehensive assortment of "Show Window Quality" plants on display.

We invite you to visit our Nursery Mart where you can see and select your evergreens, rhododendrons, azaleas, fruit trees, potted roses and perennials and many other "Better Plants for New England". Each will be labeled with name and price to save you time.

In addition we will have all the garden accessories such as fertilizers, insecticides, lime, peat moss, grass seed, etc.

Well informed salesmen will be handy to help you select the proper plants for the right locations, and answer any questions pertaining to their correct culture.

The Adams Nursery Mart will be open April 1st and every week day for the balance of the planting season during regular business hours. No business will be transacted on Sunday.

We offer you our experience of over one hundred years in solving your plant problems and invite you to visit our nursery mart. You may go where you please and stay as long as you like. You will not be approached unless you express a desire for service.

Plenty of parking space has been provided adjacent to the Mart.

Evergreen Trimming and Spraying

To maintain health and preserve symmetry your evergreen plantings should be trimmed once a year preferably during the winter or summer months.

Spraying should be done as a preventive to avoid disease and infestation.

Our experienced men are properly equipped and at your service.

Evergreen Trees

NOTE: Figures immediately following description denote approximate heights at maturity in the New England area.

ABIES — Fir

	Unit Price	
	1 to 9	10 to 100

The Doctor. Large pink. Blooms — 5 to 6 in. across.

POTTED ROSES

The illustration at left gives you a good idea of the quality and condition in which you will receive our Potted Roses. Just remove the paper pot by slitting down the side; plant so that the top of the earth ball is 4 to 6 inches below the surface, and water well. Our Potted Roses will not stop even to catch their breath before they will supply you with an abundance of bloom. Ready for delivery about May 20.

\$1.85 each.

Six or more \$1.75 ea.

ALL PURPOSE ROSE DUST.

A combination insecticide and fungicide for the control of Black Spot, mildew and eating and chewing bugs such as aphids, red spider, midge and thrip. Apply at weekly intervals.

One pound can\$1.15

Four and one half pound can 4.35

Incana. Gray foliage. Blue flowers. July and August.
Incana rosea. Gray foliage, pink flower. July and August.
Maritima subsessilis. Blue. 3 feet. August-September.
Rupestris nana. Bright blue 3 to 4 inches, early June.
 Fine rock plant.
Spicata nana. Dense foliage mat. Deep blue flowers on 2 in. spikes. Late May.
- VINCA MINOR** **Periwinkle**
Minor Bowles.
 See Evergreen Shrubs.
- VIOLA cornuta** **Horned Violet**
Katherine Sharp. Large pansy-like violet flowers.
 Blooms all summer up to frost. 10 inches.

VIOLA PURPLE HEART

Originated by Adams Nursery, Inc.
Introduced by Jackson and Perkins
Plant Patent 671

Huge, velvety, deep violet-purple — twice as large as any you've ever seen! On fine long stems (7 to 8 inches), from spring all through summer and fall — grow them this year!

60 cents each; Three for \$1.65 — \$5.00 per 10

VIOLA NIGRA WYCHWOOD

Originated by Adams Nursery, Inc.

A compact plant eight inches high with two inch flowers of a deep mulberry shade, overlaid with a black velvety sheen. May to October.

Divide old plants and reset divisions in August.

60 cents each; Three for \$1.65 — \$5.00 per 10

YUCCA

Adam's Needle

filamentosa. Creamy white. 4 feet. June and July.

Except as noted: \$.50 each; three for \$1.35; \$3.90 per 10.

Adams Nursery Mart

Conveniently located directly back of our office where you will find a comprehensive assortment of "Show Window Quality" plants on display.

We invite you to visit our Nursery Mart where you can see and select your evergreens, rhododendrons, azaleas, fruit trees, potted roses and perennials and many other "Better Plants for New England". Each will be labeled with name and price to save you time.

In addition we will have all the garden accessories such as fertilizers, insecticides, lime, peat moss, grass seed, etc.

Well informed salesmen will be handy to help you select the proper plants for the right locations, and answer any questions pertaining to their correct culture.

The Adams Nursery Mart will be open April 1st and every week day for the balance of the planting season during regular business hours. No business will be transacted on Sunday.

We offer you our experience of over one hundred years in solving your plant problems and invite you to visit our nursery mart. You may go where you please and stay as long as you like. You will not be approached unless you express a desire for service.

Plenty of parking space has been provided adjacent to the Mart.

APPLES

These apple trees were all grown in our nurseries at Westfield and have been inspected and certified by the "Massachusetts Trueness-To-Name Inspection Service."

- *Brighton. Red. → Fredonia. Early Blue Black.
- *Caco. Red. → *Green Mountain. White.
- *Concord. Blue Black. → *Moore's Early. Blue Black.
- *Delaware. Red. → Niagara. White.
- *Diamond. White. → *Worden. Blue Black.

*These varieties available in 3 year old.

PEACHES

Unit Price

1 to 9 10 to 40

Plant in spring only. When planting remove all branches

One year 9/16 inch cal \$1.35 \$1.25

VARIETIES (In the order of their ripening):

- Belle of Georgia. Early. Best white flesh freestone
- Early Elberta. Same excellent qualities as Elberta.
- Hale Haven. Yellow free stone. Very hardy. Heavy bearer
- Golden Jubilee. Yellow
- Elberta. Yellow — Freestone — Very popular
- J. H. Hale. Yellow — Large freestone — sweet

PEARS

Plant in spring only. Best results obtained in heavy soils.

No. 1 Grade Standard. Two year 2.00 1.75

- Bartlett. Late Summer. The best for eating or canning
- Beurre Bosc. Long neck russet. Late fall
- Clapps Favorite. Late Summer. Hardy and productive
- Seckel. Fall. Medium size rich flavor
- Sheldon. Ripens October. Sweet and juicy

DWARF PEARS

No. 1 Grade. Two year 1/2 to 3/4 in. cal 1.50

- Bartlett. Late summer.
- Clapps Favorite. Late summer.

PLUMS

Plant in spring only. Not self pollinating

No. 1 Grade. Two year 2.00 1.75

- Abundance. Medium size bright cherry red. Very hardy
- Burbank. Large cherry red. Ripens early Sept.
- German Prune. Blue freestone
- Stanley. Fruit large dark blue. Sweet and juicy

QUINCE

No. 1 Grade. Two year 1.50

- Orange. Large yellow. Very productive

RASPBERRIES

Strong two year transplants 35 30

Much better and not to be confused with one year suckers

- Indian Summer. Everbearing red raspberry. Produces two crops in one year
- Latham. Fruit is of large size deep red
- September. New improved Everbearing red raspberry 35 30

RHUBARB

MacDonald Red

Strong Young Roots 1.25 1.00

Mildly acid, red stalks. Takes less sugar.

INSECTICIDES

Directions for using any of the following will be found on the package.

ANT TRAPS

A safe method for controlling grease and sweet eating ants in the house where children and pets are present.

Locked cover\$.25

ARAMITE

This powder when mixed with water (one pound to 18 gallons) produces a spray deadly to Red Spider.

1 lb. pkg.\$1.25 4 lb. pkg.\$4.50

One Quart Bottle containing Aramite and Black Leaf Forty will make five gallons of spray\$1.00

ARSENATE OF LEAD

For dusting or spraying.

4 lb. bag\$1.80

BLACK LEAF FORTY

1 oz. Bottle\$.47 5 oz. Bottle\$1.40

CLOTRACIDE

A complete rose protection against plant insects and diseases. Conquers mildew. Controls black spot. Assures luxuriant foliage and bloom. Apply once a week starting in June.

Small Size — Makes five gallons\$.75

Medium Size — Makes ten gallons 1.25

Large Size — Makes twenty gallons 2.00

CHLORDANE No. 8

Assures total destruction of all soil grubs, wire worms, cut worms and ants. More effective than DDT on Jap Beetle grubs. One application insures protection for three years.

4 oz. bottle\$1.00 8 oz. bottle\$1.65

16 oz. bottle \$2.75, 32 oz. bottle \$5.00, 1 gal. \$16.00

1 lb. bag 5% dust, \$.60 4 lb. bag 5% dust, \$1.50

DDT 50% — SPRAY POWDER

For fly spray in and around buildings use sprays containing 2% of actual DDT. For Japanese Beetles use 4%.

One pound of 50% Spray Powder mixed with 25 gallons of water will make a 2% solution.

4 lb. bag\$2.30

10% DDT dust 50 lb. Bag12.55

DOG SKAT TUBES

To keep dogs and cats away from prized trees and shrubs. Large tube\$.50

DUST GUN

A pint size duster with under-leaf extension and non-clog nozzle for dusting at any angle\$2.10

JAPONEX

A milky disease spore powder recommended for treating turf areas infested with Japanese beetle grubs. One application sufficient.

1/2 lb. cans\$ 3.00

5 lb. drum 22.50

MALATHON

A new pesticide to control both Aphids and mites as well as many other insects including scales.

1 oz. bottle\$.49 5 oz. bottle\$1.35

INVITATION

Visit our nursery mart after April 1, where you will find our experienced salesmen anxious to help you select your favorite plants. They will be freshly dug and ready to take home. Business hours every weekday from 8:00 A. M. to 4:45 P. M. Closed on Sunday.

To Our Customers

Deliveries:

During the planting seasons our trucks frequently pass most points within a radius of fifty miles from Westfield. Retail deliveries will be made at no additional charge within this radius when they may be incorporated on our regular trips. There will be a charge for special delivery service and long distance truck delivery can be arranged at actual cost.

Shipping Season:

Our spring shipping season usually begins early in April and until about the first of June everything can be transplanted. Perennials and stock dug with a ball of earth can be moved at anytime during the summer. Our fall season starts with the digging of evergreens in August, followed in October by Deciduous trees and shrubs.

Terms:

We are glad to extend thirty day terms to established accounts. Also to open new accounts, via references, if order amounts to \$10 or more. On first orders, for less than \$10 please send cash. Orders for C.O.D. shipment must be accompanied by one-third of the amount. Our guarantee is void on overdue accounts.

Prices:

Prices in this book supersede all previous lists and are subject to change without notice. Except for those retail orders received from within the free delivery zone, prices are F.O.B. nursery.
